

GROWTH PODS

Do you want . . .

- to grow more effectively as a disciple of Jesus?
- to learn to live in God's kingdom like the original disciples did?
- to help others to grow?

Are you willing . . .

- to be mutually accountable with two or three others as you pray together and experience God's kingdom breaking in?

If so, join a Growth Pod at the Community Church!

A "growth pod" is . . .

- bigger than two people but not too big (3 or 4 is ideal) because sharing deeper prayer requests takes time
- mutual teaching / learning, not a teacher-student relationship. Also, learning as we live, not academic study
- where everyone has an equal chance to participate, including leadership

What to do if you want to go ahead:

- If you know anyone else who wants to join, consider forming a growth pod with them. Who else could you ask to join you?
- OR, if it's Feb or March, consider putting your name into the pool. We will endeavour to place you with others from the pool who might suit you. Some "trial and error" might be needed to get the pod just right!
- Email us at admin@waldencommunity.org.uk for more information and please keep us posted if (a) you are interested, (b) you are forming your own pod, or (c) you are trying one out and you need advice.

"Personal growth is essential to see God's kingdom come."
